## Transportation

### Highways

Pampa is located in the eastern Texas Panhandle approximately 55 miles northeast of Amarillo, Tx. in Gray County. U.S. HWY 60 intersects with Texas HWY. 70 in Pampa. Texas HWY 152 runs east and west through Pampa. Interstate 40 is a short 20 minute drive south from Pampa on Texas HWY 70. These are each excellent highway facilities.

### Railroad

Pampa is on the main Burlington Northern Santa Fe rail line that runs from Chicago to Los Angeles. Approximately 80 trains come through Pampa daily.

### Airport

The [Perry Lefors Field](#) is located five miles northwest of Pampa in Gray County. This airport is fully lighted with instrument approaches available in case of poor weather conditions. A new terminal was completed in 2013 and a major rehabilitation of the runways is expected to be completed by mid summer 2015.

There are two runways:

#### Runway 17/35

- Dimensions: 5862 x 100ft. / 1787 x 30m
- Asphalt

#### Runway 5/23

- Dimensions: 4500 x 75ft. / 1372 x 23m.
- Asphalt

OWNER: Gray County

MANAGER: Ron Unruh (806) 665-1881

Pampa is less than one hour away from [Rick Husband Amarillo International Airport](#). American Eagle, Southwest Airlines and United Express serves this airport.
